### Pioneering Yorkhill Surgeon Saves Baby Pierce

Dr Jo Bhattacharya who is based at Glasgow's Royal Hospital for Sick Children at Yorkhill, has invented a new way to treat a rare brain condition that only affects one in three million babies every year. And the Consultant Interventional Radiologist who carried out eight brain ops on the youngster, has been hailed a miracle worker by the parents of little Pierce Drennan, who suffers from Vein of Galen malformation. Roy Harris has just signed up for our Fire and Glass Walking event, Fire Up Your Soles, on 26th November 2010. Roy is walking for a very special little boy, his seven year old son Dylan (pictured above), who has been a patient at Yorkhill Hospital for most of his life. The Harris / Lombard family are so grateful for the amazing care given to Dylan by the hospital staff, that Roy has volunteered to walk barefoot on burning hot coals to raise money to say thank you!

You can see Roy's Justgiving page [here](#) - and sign up yourself to join Roy and the 38 other people registered to walk the ultimate challenge by clicking [here](#)...

## The Yorkhill Dinner

Sponsored by [Brookfield Europe](#).

The fourth annual Yorkhill Dinner takes place on Thursday 11 November 2010 at the five-star Radisson Blu Hotel in Glasgow. It will be attended by around 400 guests and promises to be a fabulous evening of delicious food, unforgettable entertainment, guest speakers and money-can't-buy prizes.

This year's guest speakers are comedian, actor and impressionist Alistair McGowan and 11 time Gold Medallist Paralympic athlete, Dame Tanni Grey-Thompson. More entertainment comes from MacUmba and Men In Coats.

The proceeds from this year's Yorkhill Dinner will go towards the creation of a state-of-the-art diagnostic suite for the Ear, Nose & Throat (ENT) clinic within the Outpatients Department at Yorkhill Hospital. Consisting of three treatment rooms with highly specialised equipment, the suite will compete with the best in the world and will be dedicated to providing gold standard care for children with ENT conditions ranging from breathing and feeding issues to difficulties with hearing or balance. The high-use unit will also improve efficiency, greatly reduce waiting times and allow specialist doctors and nurses to increase patient numbers from 8,000 to 11,000 every year.

## The Santa Cause

Simpson Events is hosting an eight week programme of music and arts events entitled The Santa Cause, all with the aim of raising thousands of pounds for Yorkhill Children's Foundation. The events kick off with a live music night hosted by BBC Radio's Jim Gellatly on October 9th at Glasgow's Pivo Pivo. For more information, click [here](#)...

## The Art Of Fundraising

West End coffee shop Offshore is hosting an exhibition of paintings and photography by Andy Peutherer and Stuart Crawford which runs for the month of October. Not only is this an excellent opportunity to combine coffee and culture, by buying one of these original pieces of artwork, you will be helping sick children in Hospital as 20% of all proceeds from the exhibition will be donated to Yorkhill Children's Foundation.
