David Is Our Phenomenal Boy!

When David Aitchison was three months old doctors told his parents to take him home from hospital and have him christened. With facial malformations, brain damage, heart problems and trouble feeding, baby David had never been out of Yorkhill Hospital and doctors feared he wouldn't survive. [Read more...](#)

Curries & Cocktails

Calling all Ladies Who Lunch! Please come to our first ever Ladies Lunch - Curries & Cocktails at 1pm on Thursday 30th September 2010 in Slumdog Bar & Kitchen, 410 Sauchiehall Street, Glasgow.

Please join us - and guest speaker Fiona Hamilton from Fifi & Ally - for an afternoon of curries, cocktails, shopping and chat in the exotic surroundings of Slumdog Bar and Restaurant.

We'll greet you with a cocktail on arrival, followed by a deliciously authentic Indian banquet. Inspired by the unique combination of flavours of Indian street food, Slumdog's menu is a fantastic way to experience the real taste of India. [Click here to buy tickets...](#)

The fourth annual Yorkhill Dinner takes place on Thursday 11 November 2010 at the five-star Radisson Blu Hotel in Glasgow. It will be attended by around 400 guests and promises to be a fabulous evening of delicious food, unforgettable entertainment, guest speakers and money-can't-buy prizes.

This year's guest speakers are comedian, actor and impressionist Alistair McGowan and 11 time Gold Medallist Paralympic athlete, Dame Tanni Grey-Thompson. More entertainment comes from MacUmba and Men In Coats.

The proceeds from this year's Yorkhill Dinner will go towards the creation of a state-of-the-art diagnostic suite for the Ear, Nose & Throat (ENT) clinic within the Outpatients Department at Yorkhill Hospital. Consisting of three treatment rooms with highly specialised equipment, the suite will compete with the best in the world and will be dedicated to providing gold standard care for children with ENT conditions ranging from breathing and feeding issues to difficulties with hearing or balance. The high-use unit will also improve efficiency, greatly reduce waiting times and allow specialist doctors and nurses to increase patient numbers from 8,000 to 11,000 every year.
